[Your organization] is offering a series of three seminars:
Legally Secure Your Financial Future: Organize, Communicate, Prepare

This program was developed to teach people about the importance of evaluating
their legal conditions related to later life issues.

Seminar topics include:

- Personal information to gather, organize, and store
- Legal documents essential in estate planning
- Importance of family communication about legal issues
- How to select and work with an attorney
- How to develop a detailed plan to address estate planning and end-of-life issues
