

College of Agricultural and Life Sciences

Agline

Edited by Bill Brewer and Kelsey Quinn

Agriculture Student Affairs Council (AgSAC)

The Agricultural Student Affairs Council (AgSAC) is the governing organization of all student clubs in the College of Agricultural and Life Sciences (CALs). The purpose of AgSAC is to distribute funds to student clubs, provide information about fundraising opportunities, and assist faculty in planning and implementing activities for CALs clubs.

AgSAC meetings allow clubs to announce club events. AgSAC also plans events for CALs clubs to participate in.

New AgSAC officers were elected on April 15th, and they are looking forward to implementing new ideas within the College of Agricultural and Life Sciences.

The new officers include from left to right:

Kelsey Quinn — President

Katrina Anderson — Vice-President

Ian Bridges — Reporter

Whitney Plant — Treasurer

Grace Nelson — Secretary

Kenny Lawson (not pictured) — Reporter

Collegiate FFA

Welcome to the University of Idaho from Collegiate FFA! We wish you success during your first year on campus. If you are interested in pursuing a career in agricultural education, have been involved with and wish to continue your participation in FFA, or wish to develop your leadership skills through agriculture, then we invite you to come see what Collegiate FFA has to offer you! Our main focus is serving the Idaho FFA Association by assisting with local district Career Development Events (CDE's), as well as helping with State Leadership Conference and State CDE's. Our membership also has a great time organizing parts of Ag Days in the fall, participating in U of I's Ag Olympics in the spring, and attending monthly club meetings and social activities. CFFA holds a banquet each semester to recognize the hard work of our outstanding members and elects new officers at the end of each school year. We will have an informative email sent out at the beginning of the fall semester regarding our first meeting and would love to see you there! We are excited for the new year and are looking forward to meeting you, so come by and see what Collegiate FFA has to offer you. If you have any questions in the meantime, please contact Liz Russell, at elizabethrussell@vandals.uidaho.edu. Hope to see you soon!

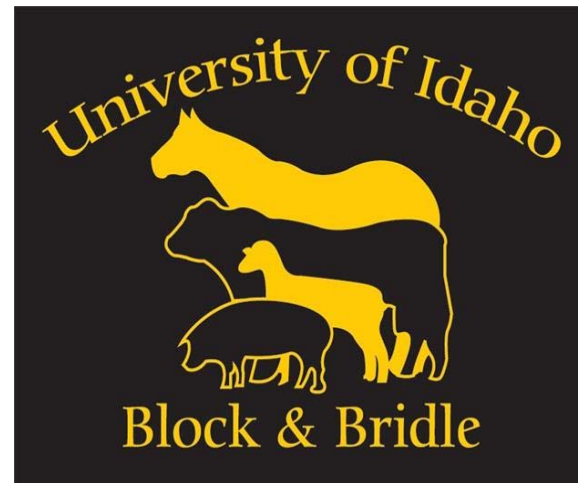

CFFA Ag. Olympics Team

Block and Bridle

Howdy!

The University of Idaho Block & Bridle is a community service based club within the livestock industry. Some of the activities that we participate in within the College of Agricultural and Life Sciences are the Welcome Back BBQ, Ag Days, Soup Sales, Ag Olympics and a clubs vs. faculty softball tournament. Some of our own activities are showing the University Charlois cattle in the fall at the Spokane Interstate Fair and at the Central Washington State Fair, as well as a bull sale in the spring. We host the Little I competition which is a showmanship competition of Beef, Sheep, Swine, and Dairy; open to all UI students and WSU Block & Bridle members. We are also starting up a fitting & showing clinic for local 4-H and FFA members. Some of our plans for next year is to get more community service projects and help the local livestock industry by doing a highway clean up, and helping at the local fairs. For more information about our club please e-mail our officer team at ui.block.bridle@live.com or our Vice-President & Secretary, Stacie Pierce at staciepierce@vandals.uidaho.edu. Also check our Myspace page: www.myspace.com/uiblockandbridle or on Facebook at U of I Block & Bridle.

Hopes everyone has a fun and safe summer! See you in the Fall!

Sigma Alpha Professional Agricultural Sorority

Sigma Alpha is a professional agricultural sorority that strives for achievement in scholarship, leadership, fellowship and service. Sigma Alpha is not only very involved within the College of Agricultural and Life Sciences, but is also involved with activities within the University and Community. It is a great club for connect-

ing with other girls who share a passion for agriculture and to make new friends! Fall and Spring activities include:

Fall:

- Ag. in the Classroom
- Membership Retreat and Fall Tour
- Ag. Days (Casino Night, Food Booth etc.)
- Lego League Championship Community Service
- Professional Development Guest Speakers
- Pumpkin Carving
- Socials with other Fraternities and Sororities
- Regional and National Conference (in Indianapolis)
- Along with many more!

Spring:

- Relay for Life
- Ag. Olympics
- Emerald Ball
- Ag. In the Classroom
- Professional Development Guest Speakers
- Sisterhood Events
- Spring Tour
- Along with many more!

Sigma Alpha holds a Fall and Spring Rush every year. If you are interested in joining, please come to our information night next fall on September 14th on the fourth floor of the commons or contact us at sigmaalpha.betaepsilon@gmail.com or our recruitment chair, Caitlin at cpass@vandals.uidaho.edu

Agribusiness Club

The Agribusiness club provides opportunities for hands on experiences and job-related activities for its members. It also exposes students to future employers and helps students build their resumes through activities and duties of club leadership. Membership in the club is open to all majors and provides the opportunity for people who share an interest in agribusiness to come together and share ideas and opportunities. The Agribusiness club works to establish good relations with members of the agribusiness community. Field trips and guest speakers provide valuable insight about the real world processes in agriculture to members of the club. Some of the destinations that the club has traveled to in the past year are Orlando, Florida for the National Quiz Bowl Competition and the Willamette Valley in Oregon for our annual spring trip. For more information about the Agribusiness club contact:

President: Katy Wunsch E-mail: kfwunsch@vandals.uidaho.edu

Advisor: Dr. Larry D. Makus E-mail: lmakus@uidaho.edu

Horse Polo Club

The University of Idaho Horse Polo team is new to the Agricultural Student Affairs Council and is excited to take part in Ag Days, Ag Olympics, and many other events with the College of Agricultural and Life Sciences. This club is also a part of the Student Sports Club Federation at the University of Idaho and is nationally recognized as a sanctioned polo club through the United States Polo Association. Throughout the year we compete in the Northwest with other universities such as Washington State, Montana State, Oregon State, and Eastern Oregon University. As the club grows we plan to broaden our competition to California and Colorado. As of now, the horse polo team has a men's and women's varsity and junior varsity as well as eight team horses owned by the University. All experience levels are welcome and we would love to teach you the Sport of Kings! For more information, dates of first meetings and practices please contact our club email: uihorsepolo@hotmail.com. We hope to see you in the Fall!

Pre-Vet Club

The Pre-Veterinary Club is dedicated to introducing its members to the Veterinary Medicine Profession. We also strive to get our members active in both community and college activities. Some of the activities the club regularly participates in includes: Ag Days, football pre-game setup, guest speakers, ice skating, touring local vet clinics, WSU Open House, Relay for Life, Cattales, and much more. We also volunteer at the Humane Society and at Orphan Acres, which is a local horse rescue sanctuary. We welcome members of all majors and backgrounds. If you are interested in becoming a member feel free to contact Kelly Parnell at parn3132@vandals.uidaho.edu

Don't Miss

Ag Days October 1st-4th
