Comments from former participants

“I wish I could have taken a class like this 20 years ago.”

“Your class reached all *levels* of knowledge. That was excellent.”

“I got a renewed admiration for my father and his agricultural practices that I experienced as a child.”

Topics include:

- What Do You Have and What Do You Want?
- Selecting Farm Equipment
- What to do About Weeds
- Market & Organic Gardening
- Pasture Establishment and Renovation
- Caring for Your Animals
- What Can You Do?
- Enterprise Budgets
- Water Quality,
- Feeds and Feeding
- Your Living Soil
- Grazing Management and much more!

More

Learn the answers to the following questions:

- What is the best method for re-vegetation of bare ground?
- Where can I go to build a network with a small acreage community?
- Why is weed ID/mapping important?
- What do I need to know about chemical and organic fertilizers?
- How can I make my compost pile work for me?
- How do I control my pests?

“What I paid for the class was paid back in value after two classes and the rest was over the top.”

Cooperators:

- Nutri-Vet Nutritionals
- Zamzows
- U.S.D.A. Natural Resources
- Conservation Service
- County Soil & Water Conservation Districts
- State of Idaho Division of Health Laboratories
- State Department of Agriculture
