Persons with disabilities who require alternative means for communication of program information or reasonable accommodations need to contact the Extension Office by December 29th at (208) 459-6003 or Canyon County Extension Office, 501 Main Street, Caldwell, ID 83605.

Learn the answers to the following questions:

- ◆ Where can I go to build a network with a small acreage community?
- ◆ What is a water share? Do I have any, & if not, how much can I irrigate with my domestic well?
- ◆ How do I rejuvenate overgrazed pasture? AKA - What is the livestock carrying capacity of my small acreage?
- ◆ What are these weeds & how do I control them?
- ◆ What kind of soil do I have & why does it matter?
- ◆ Can I make money from my small acreage?

Living On the Land:

Stewardship for Small Acreages

What LOTL alumni have to say about the class:

- “I wish I could have taken a class like this 20 years ago. What I paid for the class was paid back in value after the first two classes, and the rest was over the top!”
- “I understand how the management of my land affects everyone outside my property lines.”
- “The introduction to pasture management and rotational grazing helped us to plan better use of pasture.”
